From the Deputy Comrs letter and the copy of the resolution of the Municipal Council it appears that the allowance has been recommended as a sort of re compense for the trouble and expense caused to Mr Gopala Rao in discharging his duties In this aspect of the case the allowance would be an honorarium or salary which would not be legal as stated on page 126 of Cummings Bombay District Municipal Manual There may be no objection to sanction the payment of a carriage allowance provided a conveyance is maintained for discharging the Vice-Presidents out door duties 3 Submitted for orders

My dear [illegible]

I would like to bring to your notice a matter concerning our Municipality. Mr. Gopal Rao has been the Vice President for about two years. Twice he sent me his resignation but I was able to persuade him to stay on.

I wrote to Government in August last and asked that he might be given a small allowance of Rs.30/- to make up for the loss he sustains in his professional capacity by looking after our Municipal work ,but I was informed in reply that it could not be granted unless as a conveyance allowance and as Mr. Gopal Rao did not keep a conveyance it was not legal to grant him any honorarium.

Mr Gopal Rao has now sent in his resignation for the 3rd time. I shall be very sorry to lose him as Vice President and if he could be given this small allowance I think he will stay on

I dont see myself that it is a legal matter at

I have the honor to submit herewith a copy of the Resolution of the Kolar Town Municipal Council passed at their Meeting held on the 31st July 1915 proposing to grant the Non-Official Vice President of the Municipality a monthly allowance of Rs 30/ In doing so, I beg to state that ever since Mr C B Gopala Rao took charge of the office of Vice President of the Town he has been discharging his duties satisfactorily, but with much inconvenience to himself The duties of a Vice President are exacting and they cannot be done without adequate attention being paid to them from 4 to 6 hours daily It is somewhat hard to

Deputy Commissioner's Office,

Dated Kolar, 27th September 1915.

From

Deputy Commissioner & President,
Municipal Boards, Kolar District.

To

V. R. Thyagaraja Iyer, Esquire. M.A.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue Department, Bangalore.

Sir,

With reference to your letter No. 1684/Md. 17-15-4 dated the 27th August 1915, regarding the grant of an allowance to the non-official Vice President of the Kolar Town Municipality, I have the honor to state that it is not quite clear to me as to how the grant of such an allowance is not legal. Even if it is so, no hard and fast rule can be enforced in a case of this kind. The appointment of a non-official Vice President is a very important measure and the success of the scheme is watched with keen interest. It is therefore necessary that in the initial stage we must secure the services of gentlemen possessing some status and influence in the town, and such men have come forward to serve the people sacrificing to some extent their personal interests. The allowance recommended to Mr. Gopala Rao is more to enable him to maintain his prestige more than for anything else and to make up to him what he loses in his professional capacity.

2. With due deference to your letter under reply, I respectfully beg to represent that it may not be quite graceful to make enquiries as to what particular conveyance the Vice President has been maintaining and what expenditure is being incurred by him. All that I meant in my recommendation was that some allowance might be given so that as Vice President of an important Town like Kolar, he may maintain some conveyance for the efficient and prompt discharge of his out-door
